4 Special Thanks

The Dance Department (e.g. the Director) cannot function without the kind support, understanding, patience, and general good will of the following:

Dr. Joe Searle, Cary Braque, Dale Lyles, Andy Cunningham, Daniel Byrd, Justin Horne, and the entire staff at CJ's. Gloria, Joanne, Rufus, the janitorial staff at the University Center, and Public Safety (for letting us in the studio most mornings and nights). Eric Neilson, and Catherine Schaffer for once again letting us invade their space. Justin for lights and keeping yours truly sane. The kind help from our distinguished guest performer, and other dramatists for their help ushering and herding bunheads backstage. Our guests, Scott Corbin, Carol McCoy, Kathryn McBeth, and Lisa Toups for their hard work, tough love, and wonderful choreography. Finally, the dancers major and minor for their hard work, professionalism, perseverance, and patience.

1 Introduction

Welcome to the GHP 2006 Dance Concert, "Dance With Me". The dancers learned one and sometimes two pieces a week over the past five weeks. This is a challenge for a dancer of any experience and our dancers met every test head on. I hope they will be as proud of their work this summer as is their director.

For the safety of our dancers and the enjoyment of others, please refrain from the use of flash photography or recording devices of any kind.*

Thank you and enjoy the show!
